Ukiah Valley Sanitation District 151 Laws Avenue Ukiah, CA 95482

STAFF REPORT August 19, 2021

To:	Board of Directors
From:	Wing-See Fox
Meeting Date:	August 19, 2021
Item #7A:	Letter Agreement with Ron Franz for Civil Engineering and Land Surveying Services for Sewer Easement, Sewer Line Plans, and Construction Staking at 2399 North State Street, Ukiah, CA 95482

Background:

On April 8, 2021, Rick Sands, Water Utility Engineering Specialist for the City of Ukiah sent a letter to the Dunnewood Winery requesting a sewer easement across the winery property at 2399 North State Street, Ukiah, CA 95482. Approximately 10 years ago, the County of Mendocino performed a road widening project along North State Street. As part of that project, the District had sewer line improvements constructed at North State Street to serve properties that are currently on private sewer systems (septic systems) with public sewer in the future. To provide public sewer to those properties, the District has two options:

1. Construct a sewer line across Dunnewood Winery property and tie into the existing sewer main by the railroad tracks.

2. Construct a sewer pump station near the bridge at Ackerman Creek, pump the sewage to Olive Avenue, construct a gravity sewer line down Olive Avenue, and tie into the existing sewer line by the railroad tracks.

The preferred option is to construct a gravity sewer line across Dunnewood Winery property as a sewer pump station is costly to construct and requires ongoing costs of operation and maintenance.

Discussion:

The owners of the Dunnewood Wintery property agreed to provide a sewer easement at no cost to the District. Legal counsel was directed to prepare a sewer easement. The Letter Agreement authorizes the District to pay Mr. Franz for the necessary legal descriptions and easement map for the easement. Mr. Franz will also be preparing the plans, specifications, or documents necessary for the City of Ukiah to prepare the bid documents in order to bid out the construction work for the sewer line. The Letter Agreement includes a not to exceed amount of \$6,500 for civil engineering and land surveying work that is performed by Mr. Franz.

Fiscal Effect:

\$6,500 for civil engineering and land surveying work that is performed by Mr. Franz in connection with the Dunnewood Property easement.

Recommendation:

1. Approve Letter Agreement with Ron Franz, in a form approved by General Counsel, for Civil Engineering and Land Surveying Services for Sewer Easement, Sewer Line Plans, and Construction Staking at 2399 North State Street, Ukiah, CA 95482.

This letter shall be our Agreement ("Letter Agreement") regarding the land surveying and engineering services described below ("Services") to be provided by Ron Franz ("Consultant") as an independent contractor to the Ukiah Valley Sanitation District (the "District") for the District's acquisition of a sewer easement from the property owners of 2399 North State Street, Ukiah, CA 95482 ("Project"). The actual amount of time spent in adequately performing the Services shall be billed at the hourly rate of \$140. The District shall review and pay the approved charges on such invoices in a timely manner.

The District, its officials, officers, employees, agents and authorized volunteers shall be named as Additional Insureds on Consultant's policies of commercial general liability and automobile liability insurance. If Consultant is an employer or otherwise hires one or more employees during the term of this Project, Consultant shall also provide proof of workers' compensation coverage for such employees, which meets all requirements of State law, with endorsements and conditions required by the District.

The District may terminate this Letter Agreement at any time with or without cause. If the District finds it necessary to terminate this Letter Agreement without cause before Project completion, Consultant shall be entitled to be paid in full for those Services adequately completed prior to the notification of termination. Consultant may terminate this Letter Agreement only upon 30 calendar days' written notice to the District only in the event of District's failure to perform in accordance with the terms of this Letter Agreement through no fault of Consultant.

To the fullest extent permitted by law, Consultant shall defend, indemnify and hold the District, its directors, officials, officers, employees, volunteers and agents free and harmless from any and all claims, demands, causes of action, costs, expenses, liability, loss, damage or injury of any kind, in law or equity, to property or persons, including wrongful death, in any manner arising out of, pertaining to, or incident to any alleged acts, errors or omissions of Consultant, its officials, officers, employees, subconsultants, consultants or agents in connection with the performance of the Consultant's Services, the Project or this Letter Agreement, including without limitation the payment of all consequential damages, expert witness fees and attorneys' fees and other related costs and expenses. Notwithstanding the foregoing, to the extent Consultant's Services are subject to Civil Code Section 2782.8, the above indemnity shall be limited, to the extent required by Civil Code Section 2782.8, to claims that arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of the Consultant. Consultant's obligation to indemnify shall survive expiration or termination of this Letter Agreement, and shall not be restricted to insurance proceeds, if any, received by the District, its officials, officers, employees, agents, or volunteers.

Consultant shall keep itself fully informed of and in compliance with all local, state and federal laws, rules and regulations in any manner affecting the performance of the Project or the Services.

By its signature hereunder, Consultant certifies that it is aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and agrees to comply with such provisions before commencing the performance of the Services. Consultant warrants that he has no employees. Consultant shall indemnify District against any alleged violations of this paragraph, including, but not limited to, any fines or penalties imposed by any governmental agency.

Consultant shall not assign, sublet, or transfer this Letter Agreement or any rights under or interest in this Letter Agreement without the written consent of the District, which may be withheld for any reason. This Letter Agreement may not be modified or altered except in writing signed by both parties. Except to the extent expressly provided for in the termination paragraph, there are no intended third party beneficiaries of any right or obligation of the Parties.

This is an integrated Letter Agreement representing the entire understanding of the parties as to those matters contained herein, and supersedes and cancels any prior oral or written understanding

or representations with respect to matters covered hereunder. Since the Parties or their agents have participated fully in the preparation of this Letter Agreement, the language of this Letter Agreement shall be construed simply, according to its fair meaning, and not strictly for or against any Party. The captions of the various paragraphs are for convenience and ease of reference only, and do not define, limit, augment, or describe the scope, content or intent of this Letter Agreement.

Consultant warrants that the individual who has signed this Letter Agreement has the legal power, right and authority to make this Letter Agreement and bind the Consultant hereto. If you agree with the terms of this Letter Agreement, please indicate by signing and dating where indicated below.

STAFF REPORT August 19, 2021

To: From:	Board of Directors Wing-See Fox
Meeting Date:	August 19, 2021
Item #7B	Amend Policy 4020 – Attendance at Meetings & Meeting Stipend
Item #7C	Repeal Policy 4030 – Remuneration and Reimbursement
Item #7D	Amend Policy 4090 – Reimbursement for District Business

Background:

The Board is updating its policies related to stipends for attendance at Board meetings and reimbursement for District Business (travel, lodging, and meals) for Directors.

Discussion:

Currently, Policy 4020 requires Directors to attend all Board meetings unless there is good cause for absence. Currently, Policy 4030 provides that Directors shall receive a meeting stipend for every Board meeting attended, and that the stipend amount shall be annual set by the Board at its regular meeting in December.

Previously, the District issued a \$25 meeting stipend to Directors. Meeting stipends were suspended in Fiscal Year 2019-20. The Board is considering reinstating and specify the amount of meeting stipends. The District budgeted \$2,500 for meeting stipends for Fiscal Year 2021-22. Staff recommends consolidating Policies 4020 and 4030 into Policy 4020 (and deleting Policy 4030) since both policies relate to meeting attendance and are one to two sentences each. The Board may wish to:

- Review and set the meeting stipend amount in Policy 4020.
- Determine whether meeting stipends apply to remote or teleconference meetings. The purpose of the meeting stipend was to offset costs related to local travel for District business. Due to the COVID-19 pandemic, the District has been meeting remotely since 2020.

Currently, Policy 4090 relates to the reimbursement of expenses for Directors who attend training, education and conferences. Proposed revisions to Policy 4090 would provide clarification on the process for the request and approval of reimbursements related to District business. The proposed revisions would also specify the maximum allowable amounts for reimbursements and specify what types of expenditures are non-reimbursable.

Fiscal Effect:

The District has budgeted \$2,500 for meeting stipends for Fiscal Year 2021-22.

 of an expense being incurred.
 Failure to provide the required documentation in a timely fashion may result in the expense reimbursement being denied.
- 2. District officials may not exceed the daily allowance for meals and incidental expenses while traveling as established and maintained by the Federal General Services Administration and as referenced in the Federal Internal Revenue Service (IRS) Publications 463 and 1542.
- B. Travel Requests and Authorization. When District officials are traveling on District business that requires an overnight stay or air travel, they shall submit a written travel request. The travel request shall be submitted prior to incurring expenses related to the travel and shall include an explanation of the purpose of the travel. The travel request shall be submitted to the District Manager no less than one (1) week in advance of the first travel day to allow for appropriate consideration and approval and to ensure the lowest possible fares. Upon completion of travel, a reimbursement form shall be completed and submitted to reconcile travel expenses.
- C. Public Records. Under the provisions of the California Public Records Act, all reimbursement forms, travel requests and any accompanying receipts are public records and subject to disclosure. The District shall prepare a report monthly of all such expenses and present it at a public hearing.
- 4090.3.3
 Travel. District Officials shall use the most economical mode and class of transportation reasonably consistent with scheduling needs and cargo space requirements. Travel shall be booked as far in advance as possible to achieve the most reasonable fares or rates.

4090.3.3.1 Personal Vehicle. If a District official uses his/her personal vehicle, automobile mileage is reimbursed at current IRS mileage reimbursement rates. These rates compensate the District official for gasoline, insurance, maintenance, and other expenses associated with operating the vehicle. This amount does not include bridge, road tolls, and reasonable parking costs, which are also reimbursable. The cost associated with using a personal vehicle for overnight travel shall be compared to the cost of air travel and eligible rental car or other transportation expenses. If the costs associated with using a personal vehicle for overnight travel exceed the comparable costs associated with air travel, and no compelling reason exists to use a personal vehicle instead of air travel, then the maximum reimbursement shall be based upon the costs of air travel.

4090.3.3.2 Car rental expenses should be compared to the projected costs of other means of transportation such as taxicabs, shuttle services, or public transportation. In determining whether to use a rental car, the costs of the rental, parking, and gasoline should be compared to the combined cost of such other forms of transportation. Rental car expenses shall only be authorized for District business purposes and when the travel circumstances require the use of a rental car. Government and group rates must be used when available.

4090.3.3.3 Compact size cars shall be used when available and adequate for travel needs. Advance reservations shall be made, whenever possible, to ensure the availability of the most economical class of vehicle. Limousines or chauffer/driver rentals are prohibited.

4090.3.3.4 Additional charges for optional insurance offered by rental car agencies are not an eligible expense. Directors and employees are covered for car rentals by existing District insurance policies, as long as the rental is made for business purposes. Fuel costs, parking fees, and bridge or road tolls related to rental car travel are eligible for reimbursement based upon receipts. Best efforts to fill-up gas tank before returning rental car must be made due to excessive gasoline charges by rental companies.

4090.3.3.5 Taxicabs and Shuttles: Expenses for taxicabs and/or shuttles for required travel shall be reimbursed based upon receipts. Such expenses may include an appropriate gratuity, not to exceed fifteen percent (15%). Required travel includes travel to and from airports, and to and from other locations when required for District business. District officials are encouraged to use complimentary shuttle service, when available, or the most economical method of travel.

4090.3.3.6 Fines for parking or speeding violations are not reimbursable.

4090.3.4 Lodging. District officials shall use the most reasonably priced lodging accommodations when traveling on District business out of town. Lodging shall be limited to the minimum number of nights required to conduct District business. No lodging expenses in Mendocino County shall be reimbursed unless specifically approved by the Board of Directors.

4090.3.4.1 Government Rates: Expenses for lodging are eligible for reimbursement at actual rates, including taxes, for single accommodation when travel requires an overnight stay for District business purposes. Lodging expenses are limited to government rates, when available. Lodging expenses at rates less than the government rate are permitted. Lodging expenses must be documented by an original hotel bill.

4090.3.4.2 IRS Rates: If government rates are not available, lodging rates that are equal to or less than the IRS per diem rates for Mendocino County are also considered to be reasonable and are permitted.

4090.3.4.3 Median Retail Price: In the event that government rates are not available and there are no IRS per diem rates applicable to the travel location, lodging rates that do not exceed the median retail price for lodging for that area listed on discount websites, or an equivalent service shall be considered reasonable.

4090.3.4.4 Maximum Group Rates: Lodging expenses associated with a conference, educational seminar, or other event sponsored by an association or professional organization shall not exceed the maximum group rates published by the conference if such group rates are available at the time of booking.

<u>4090.3.4.5</u> Other Expenses: Hotel charges for telephone use (including long distance charges), internet access, and facsimile use are reimbursable as lodging expenses if they are directly related to District business.

4090.3.4.6 Shared Lodging: In the case of shared lodging (two or more travelers sharing a room on District business), each traveler should request reimbursement for such traveler's share of the lodging. If one of the travelers pays for the entire cost of lodging, that traveler shall be reimbursed for the entire accommodation cost, but should cross reference the other traveler's name on the reimbursement form.

4090.3.7 Travel Advances: District Officials may request a travel advance to cover anticipated expenses while traveling on District business. Travel advances will only be provided for non-local lodging costs and shall be approved by the District Manager or Board.

If possible, requests for a travel advance will be transmitted to the District Manager or Board fourteen (14) calendar days prior to the need in writing. Any unused advance must be returned to the District within ten (10) calendar days of return, along with the reimbursement form and receipts documenting how the advance was used in compliance with this policy.

4090.3.5 Meal Expenses: Meal expenses related to District business are reimbursable based upon receipts. Meal expenses must comply with applicable limits and reporting requirements of local, state, and federal law.

> 4090.3.5.1 Non-Local Travel: Any District official who is authorized to travel on the District business may receive, in addition to transportation and hotel accommodation expenses, a meal allowance for each day or part thereof. The maximum meal allowance shall not exceed the current IRS reimbursable rate.

4090.3.5.2 Meal allowances shall be allowed or reimbursed only for days actually spent on District business, for programmed days of a conference or meeting, or for time spent in travel. 4090.3.5.3 Local Travel: Occasionally, District officials may be required to attend local meetings on District business during which a meal is served or necessary. Allowable expenses for such meetings include the cost of the meal and a reasonable tip.

> 4090.3.5.4 Reimbursement: When requesting any meal reimbursement, documentation to be submitted, shall include: a copy of the receipt, a description of the purpose of the meal, and a list of all persons present, including their organization and title. Reimbursable meal expenses shall not exceed a reasonable amount per person per meal, as set forth below.

4090.3.5.5 Meal Allowance Policy: For all non-local travel, District officials may request the standard meal allowance as permitted by the IRS, or reimbursement of actual meal expenses incurred. Reimbursement for actual expenses in excess of the established per diem shall be made only if receipts are provided and only to the extent the actual expenses are reasonable. Per Diem or reimbursement for meals will not be allowed when a meal is provided within a registration fee.

If the District official is not on District business for the entire day, the meal allowanceand associated gratuities shall not exceed the following rates per person:(a)Breakfast: \$14(b)Lunch: \$22(c)Dinner: \$35

4090.3.5.6 Alcohol. The District shall not reimburse District official for alcoholic beverages. Furthermore it is against District policy to consume alcohol during business hours while on the job. Alcoholic beverages shall not be consumed during working business meetings.

4090.3.5.7 Tips. Other than meals (up to 15%), no tips will be reimbursed.

<u>4090.4</u> A Director shall not attend a conference or training event for which there is an expense to the District if it occurs after the District has announced his/her pending resignation, or if it occurs after an election in which it has been determined that the Director will not retain his/her seat on the Board. A Director shall not attend a conference or training event when it is apparent that there is no significant benefit to the District.

4090.45 Upon returning from seminars, workshops, conferences, etc., where expenses are reimbursed by the District, Directors will either prepare a written report for distribution to the Board, or make a verbal report during the next regular meeting of the Board. Said report shall detail what was learned at the session(s) that will be of benefit to the District. Materials from the session(s) may be delivered to the District office to be included in the District library for the future use of other Directors and staff.

RE: Out of Area Service Request

This letter is a formal request for Out of Area Service on a property located within the old Masonite industrial complex. The details of the request are as follows:

APN: 170-180-14.

Address: 611 Kunzler Ranch Rd, Ukiah, CA 95482.

Easement Access: There is currently a utility and access easement granted to 611 Kunzler Ranch Rd from Ford Rd along an existing road. See Exhibit 1.

Proposed Usage: We do not have any flow rates calculated yet but as far as what would be hooked into the sewer from our parcel, it would be limited to multiple bathrooms and sinks to support a facility with approximately 100 employees. Possibly, but not likely, there might be locker room showers and a commercial kitchen as well.

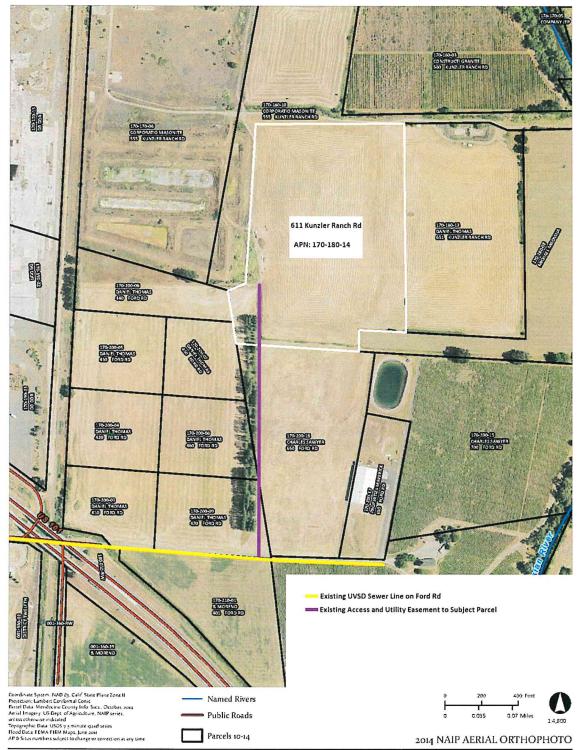

Timeline for Hookup: As part of the development of our parcel we will have to make road improvements to the easement road that connects to Ford Rd. We would like to bury any utility connections during the time the road upgrades are made. The soonest this would happen is late this year or early spring 2022.

Acquisition and development of this parcel is contingent upon our ability to connect to the UVSD sewer line. Waiting for the City of Ukiah to annex these parcels is not feasible for our development schedule. It is our hope that we can work together to accomplish this request. I would be happy to talk in further detail regarding this project and service request at your convenience.

Sincerely,

James Feitshans President | New Leaf Development, LLC 480-721-7808

Re: UVSD Ordinance 13

Dear Chair Wipf:

Our office has received an inquiry from a taxpayer regarding the possibility that delinquent service fees from your district may be added to their property tax bill. According to the taxpayer, staff at the Ukiah Valley Sanitation District has represented that unpaid service fees will be added to the tax roll pursuant to District Ordinance No. 13. In reviewing the materials submitted by the taxpayer, it appears that Ordinance No. 13 incorporates by reference a statute that was repealed in 1960. (Stats 1959 ch 1309 § 1.)

At this time, we have not received any direct communication from the District requesting that these fees be added to the tax roll. If, however, the District intends to request that such fees be added, we ask that District review its relevant ordinances to ensure that they have been updated to reflect current statutory authority and processes.

Sincerely, 1. Anda
