Item #7A: Mendocino LAFCo Official Independent Special District 2022 Election Ballot

Overview

On April 29, 2022, Mendocino Local Agency Formation Commission (LAFCo) sent a letter to the Boards of Independent Special Districts inviting nominations to fill two vacancies for Regular and Alternate Special District Members of the LAFCo Board. In accordance with Government Section 56332(f), the Executive Officer of LAFCo performs the nomination and election process on behalf of the Special District Selection Committee.

Members are elected to four-year terms, and there are no term limits. Nominations were due to LAFCo by August 1, 2022, and the District's Interim General Manager submitted a Nomination Form for Director Candace Horsley on July 27, 2022. Director Horsley's nomination was ratified by the Board on August 2, 2022. Since more than one nomination was received, LAFCo prepared and sent a ballot packet to each district on August 29, 2022.

For an election to be valid, at least a quorum of 25 ballots must be returned to the LAFCo office by the deadline of November 11, 2022 at 12:00pm. Attached is the election ballot packet which includes a notice from LAFCo, Candidate Information Sheets, and the official ballot to elect one candidate to serve as regular special district member on Mendocino LAFCo for the term beginning January 1, 2023 and ending December 31, 2026. Ballots can be returned to the LAFCo Office via email, mail, or hand delivery.

Recommended Actions

Vote for one candidate to serve as regular special district member on Mendocino LAFCo and direct Board Chair and Secretary of the Board to certify the ballot and return to the LAFCo Office.

REGULAR MEETINGS

First Monday of each month
at 9:00 AM in the
Mendocino County
Board of Supervisors
Chambers
501 Low Gap Road, Ukiah

Date: August 19, 2022

To: Presiding Officers of Independent Special Districts in Mendocino County

From: Uma Hinman, Executive Officer

Subject: Official Independent Special District Election Ballot

Announcement of election for the special district regular member seat on LAFCo. The election will fill a four-year term ending beginning January 1, 2023 through December 31, 2026.

The process for selecting special district members to LAFCo is set forth in Government Code Section (GOV) 56332, which provides for a meeting to be convened among representatives from each of the 49 independent special districts in Mendocino County, unless the Executive Officer determines that a meeting is not feasible. Pursuant to GOV 56332(f), the LAFCo Executive Officer is conducting the nomination process and election by mail on behalf of the Independent Special District Selection Committee, determining that achieving a quorum for a meeting is not feasible.

A request for nominations was sent via certified mail on April 29, 2022, announcing the vacancy of the alternate special district seat and the upcoming term expiration of a regular special district seat, and soliciting nominations from independent special district boards for candidates to fill the four-year terms (January 1, 2023 – December 31, 2026) for both seats. The nomination period ended August 1, with the following three (3) nominations received by the deadline.

Nominee/Candidate	Agency	Status
Regular Special District Member		
Francois Christen	Anderson Valley CSD	Election
Candace Horsley	Ukiah Valley Sanitation District	Election
Alternate Special District		
Francois Christen	Anderson Valley CSD	Appointed

Having received only one nomination for the Alternate Special District term, in accordance with GOV 56332(c)(2), the nominee is deemed appointed. The receipt of more than one nomination for the Regular Special District term requires an election by mailed ballot.

Enclosed is the official ballot to elect one candidate to serve as regular special district member on Mendocino LAFCo for the term that ends December 31, 2026.

Ballots must be returned to Mendocino LAFCo at 200 South School Street, Ukiah, CA, 95482, or by email to eo@mendolafoo.org, on or before November 11, 2022 at 12:00 p.m.

Your district is encouraged to participate in this election process. For an election to be valid, at least a quorum of the special districts must submit valid ballots. The candidate receiving the most votes shall be deemed elected.

Any nomination and ballot received by the Executive Officer after the date specified is invalid, provided, however, that if a quorum of ballots is not received by that date, the Executive Officer shall extend the date to submit ballots by 60 days and notify all districts of the extension. An election schedule with information about the counting of ballots and successful candidate notification is enclosed.

3. Personal and Professional Background:

- Worked in industry as a marketing researcher and marketing scientist from 1980 to 2013

I have been very interested in policy making since I was a graduate student and working at the Rand Corporation as an in-house consultant. At Rand I worked on a project studying growth in four major cities including San Jose, where the issue was whether citizens wanted housing versus orchards. I am interested in representing the interests of Special Districts in Mendocino County at LAFCO. In general, I am in favor of sensible regulations pertaining to LAFCO's mandate of establishing (formations and

incorporations), expanding (annexations), decreasing (detachments), combining (mergers and consolidations), and eliminating (dissolutions and dis-incorporations) cities and special districts, as well as authorizing outside service contracts in Mendocino County. I would also be interested in contributing to the five years mandate to establish the sphere of influence of each city and special district within the County, and especially focusing on the interests of the Special Districts.

5. Summarize your qualifications for serving on LAFCo:

Two and a half years on the Board of the Anderson Valley Community Services District where I have:

- Supported the Water/Wastewater initiative for Boonville,
- Successfully applied to the Community Foundation of Mendocino County for two grants for the local Fire Department for radio upgrades and water tanks,
- Spearheaded the institution of a SEP IRA for the CSD's permanent employees.

- Successful career in a corporate environment (Wells Fargo).

- Board Member of the AV Community Services District
- Regular participant in the Mendocino Fire Safe Council meetings representing the Nash Ranch
- Road Association and local landowners.

- Member of the Board of the Nash Ranch Road Association for 11 years (two years as chair)
- Spearheaded a number of initiatives and grant-solicitation to improve fire safety on the Nash Ranch by reducing brush along the roads
- Spearheaded the development of a tracking to system to fairly allocate budgets to repair competing road segments.

8. List special interests or hobbies:

Outdoor enthusiast: cycling, hiking, backpacking, camping. Reading

1. Length of service with District:

3 years

2. Present Occupation:

Retired City Manager

3. Personal and Professional Background:

I was City Manager at the City of Ukiah for thirteen years and worked on many issues that involved LAFCo. I have dealt with local, state and federal agencies on a variety of issues and projects.

4. Summarize your interest in serving on LAFCo:

The purpose of LAFCo includes discouraging urban sprawl and providing efficient government services. LAFCo also encourages the orderly formation and development of local agencies based upon local conditions and circumstances. I believe that we are at a critical time in Mendocino County and would like to contribute to the orderly changes that could occur in this region.

5. Summarize your qualifications for serving on LAFCo:

I believe that my past experience with SOI's, MSR's and local planning issues provides me with a broad spectrum of experience in these areas. Gary Akerstrom

1440 Meadow Drive

Ukiah, CA 95482

Ukiah Valley Sanitation District

151 Laws Ave

Ukiah, CA 95482

Attn: Chelsea

My wife and I, as two people, have lived at this address for many years. During this time the use of the sewer has not changed. Several years ago we had significant landscaping done in our back yard which caused an increase in the use of water during the summer or other dry times. This last winter we used an abnormal amount of irrigation water due to the lack of rainfall. That being said, I do not feel that this higher usage of water for irrigation warrants an increase in the sewer usage fee. I therefore request that the "usage" fee be returned to the previous level and any extra payments be carried over as payments for future bills.

Enclosed is a spreadsheet and backup showing the water usage and precipitation over the last seven years.

Thank you for your attention.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary L. Akerstrom", with a long horizontal line extending to the right.
